

## Branded Partners

### Zyvault Branded Partners

Your business already provides a range of own-brand services. Zyvault Branded Partners seamlessly extend their portfolio into the profitable and exploding online backup market.

Zyvault White Label provides a secure generic portal for customer sign up, provisioning and billing. Zyvault's development team work with you to brand this portal to integrate with your existing company identity.

Customer support can be managed by you or if required Zyvault can provide full technical and or pre-sales support in your company name.

Our industry leading technology infrastructure and our committed customer-centric approach ensure you maintain the level and quality of service your customers demand across your entire range of services.
